## Documentation

### Changing the backgrounds

The backgrounds are located in "[assets/img/backgrounds](#)". Upload in this folder all the backgrounds you want and then open the "[scripts.js](#)" file ([assets/js/scripts.js](#)). Change the backgrounds from the code:

```
/*
  Fullscreen backgrounds
*/
$('.page-title').backstretch("assets/img/backgrounds/1.jpg");
$('.counters-container').backstretch("assets/img/backgrounds/2.jpg");
$('.our-motto-container').backstretch("assets/img/backgrounds/2.jpg");
$('.call-to-action-container').backstretch("assets/img/backgrounds/2.jpg");
$('.contact-container').backstretch("assets/img/backgrounds/3.jpg");
```

### Setting up the countdown timer

Open the "[scripts.js](#)" file ([assets/js/scripts.js](#)) and find the "countdown initializer" piece of code.

Find the line: `var countTo = 25 * 24 * 60 * 60 * 1000 + now.valueOf();`

Set the date you want in the format "YYYY/MM/DD", for example:

```
var countTo = "2015/09/18";
```

### Setting up the email subscription form

Open the "[subscribe.php](#)" file ([assets/](#)). From there you can set up the email where you want to receive the notifications when new users subscribe. You can also set up the message to display on the page when the user subscribes.

### Setting up the contact form

Open the "[contact.php](#)" file ([assets/](#)) and set up the email where you want to receive the messages.

## Font Awesome Icons and Elegant Icon Font

In this template are used icons from Font Awesome and Elegant Font. Here are the official websites to see all the available icons and to learn more about these icon fonts:

<http://fontawesome.io/icons/>

<http://www.elegantthemes.com/blog/resources/elegant-icon-font>

## Changing the logo

You can find the logo image in the "[img](#)" folder (assets/img). Replace it with your logo. Don't forget the "@2x" version that is used in Retina displays (iPhone, iPad).

## Changing the favicon and apple touch icons

You can find the favicon and apple touch icons in the "[ico](#)" folder (assets/ico). Just replace them with the icons you want.

## Changing the "testimonials" and "about" images

You can find the "testimonials" images in the "[testimonials](#)" folder (assets/img/testimonials) and the "about" images in the "[about](#)" folder (assets/img/about). Upload in these folders the images you need and add their names in the "[index.html](#)" file.

## Other settings

The plugins used in this template come with a lot of other settings. If you want to use these settings or you need other documentation, you can find all the plugins' homepage links in the "[Attributions.txt](#)" file (attributions/Attributions.txt).
